FUNCTIONAL PERFORMANCE

The functional performance of Essey's Tall Illusion is based on combining a tall, narrow stable shape, durable PMMA material, and optical illusion so it works reliably as a slim standing side table.

SUSTAINABILITY & COMPLIANCE

Manufactured from recyclable PMMA acrylic, fully recyclable at end-of-life with low environmental impact. PMMA variants often include recycled content, replacing virgin plastics.

Complies with standard EU regulations including REACH, RoHS, and general product safety standards. Free from harmful additives; produced in Germany for quality control.

MAINTENANCE & CLEANING

Clean with a soft, damp microfiber cloth. Mild glass cleaner or acrylic polish recommended. Avoid abrasives, solvents, or paper towels to prevent scratches.
